BURNS KITS

New data from one of Sydney's biggest hospitals showed hospital admissions for burn injuries up by nearly **50 per cent**.

A survey uncovered 88% of Australians know to treat a burn immediately, while only 20% do so correctly.

So be ready and prepared to **administer First Aid Fast** with this range of highly portable burns module featuring the ground-breaking **AEROBURN™** products to ensure best possible treatment and care.
