

THE ULTIMATE FIRST AID SOLUTION!

COMMANDER 6 SERIES

This kit range complies above and beyond the latest WHS legislation for Australian workplaces in every state and territory, ensuring maximum duty of care to all workers. Instant response to all nature of injuries is aided by the range of cases available, which are designed to store and present the substantial quantity of product in the most efficient and accessible way. Included in the range is a food-grade kit approved by Food Standards Australia New Zealand in the metal cabinet version, containing alternate visually detectable plasters and tape to cater for even the largest of commercial kitchens and food processing plants. Additional modules are available to fulfil any further risk assessment recommendations.
