OPERATOR 5 SERIES

Compliance with workplace first aid regulations is achieved across all states and territories with this broad kit range. Workplace injuries in higher risk areas can be treated effectively with the quality selection of components, complemented by a variety of outer cases to suit any scenario. A food-grade kit approved by Food Standards Australia New Zealand is available specifically for commercial kitchens industry, containing the essential visual detectable plasters and tape. The metal cabinets are wallmountable and lockable for security if required. Additional modules are available to fulfil any further risk assessment recommendations.
