RESPONDER 4 SERIES

Ensure Basic and easy workplace compliance for first aid with this comprehensive range, containing a wide scope of products to cater for any workplace emergencies. These kits comply with the latest WHS legislation for Australian workplaces in every state and territory. Respond promptly to incidents with a variety of outer cases to suit all types of environments. Internal compartments and shelves keep products organised, and all plastic and metal case options are able to be wall mounted. A food-grade kit approved by Food Standards Australia New Zealand is available for cafes and restaurants, containing the essential visual detectable plasters and tape. Additional modules are available to fulfil any further risk assessment recommendations.
